Dear Mission Hockey Family:

We are very excited to inform you that the ***Chicago Mission AAA Hockey Club*** has joined the newly-formed new ***High Performance Hockey League*** as a founding member.

This new Tier 1 AAA league, which has been months in the making, has been designed to address the many key issues that confront AAA hockey, most prominently including to contain costs, to minimize school-days missed, and to embrace the ADM and LTAD models to ensure age-specific training for the players.

The ***HPHL*** will initially be made up of six (6) organizations: ***Chicago Mission, Chicago Young Americans, Detroit Compuware, Detroit Honeybaked, Detroit Little Caesars and Team Illinois***. All boys and girls teams in these organizations will compete in the new league. And obviously, these organizations have withdrawn from the Tier One Elite Hockey League.

We are convinced that joining this new league is in the best interests of our organization and all of our teams. But most importantly, we are convinced it is in the best interests of all our players. And so we are very excited about the outstanding prospects that lie ahead for us as a charter member of the new ***High Performance Hockey League***.

Please take some time later to review the new league's formal Press Release posted on our website and also to visit the league's new website (www.hphl.us).

Thank you for being part of the Mission family and as always, please feel free to call if you have any questions.
